ABOUT US

our company

LOKA STONE FACTORY is part of ***CV KAISER GROUP***

We are the largest manufacturer and exporter of sukabumi green stone (pedra hijau) based in sukabumi Indonesia.

We produces the best quality of sukabumi green stone and have been exported to various countries in the world with capacity of approximately 4 to 5 containers per month

LOKA STONE FACTORY

BY CV.KAISER GROUP

CV KAISER GROUP is a multiple exporter company of Indonesian products such as natural stone products, bamboo products, coconut products, Indonesian handicrafts and others.

LOKA STONE FACTORY is a brand or name of the largest Sukabumi green stone or *pedra hijau* manufacturer in Indonesia which produces the highest quality products and has been exported to all over the world.

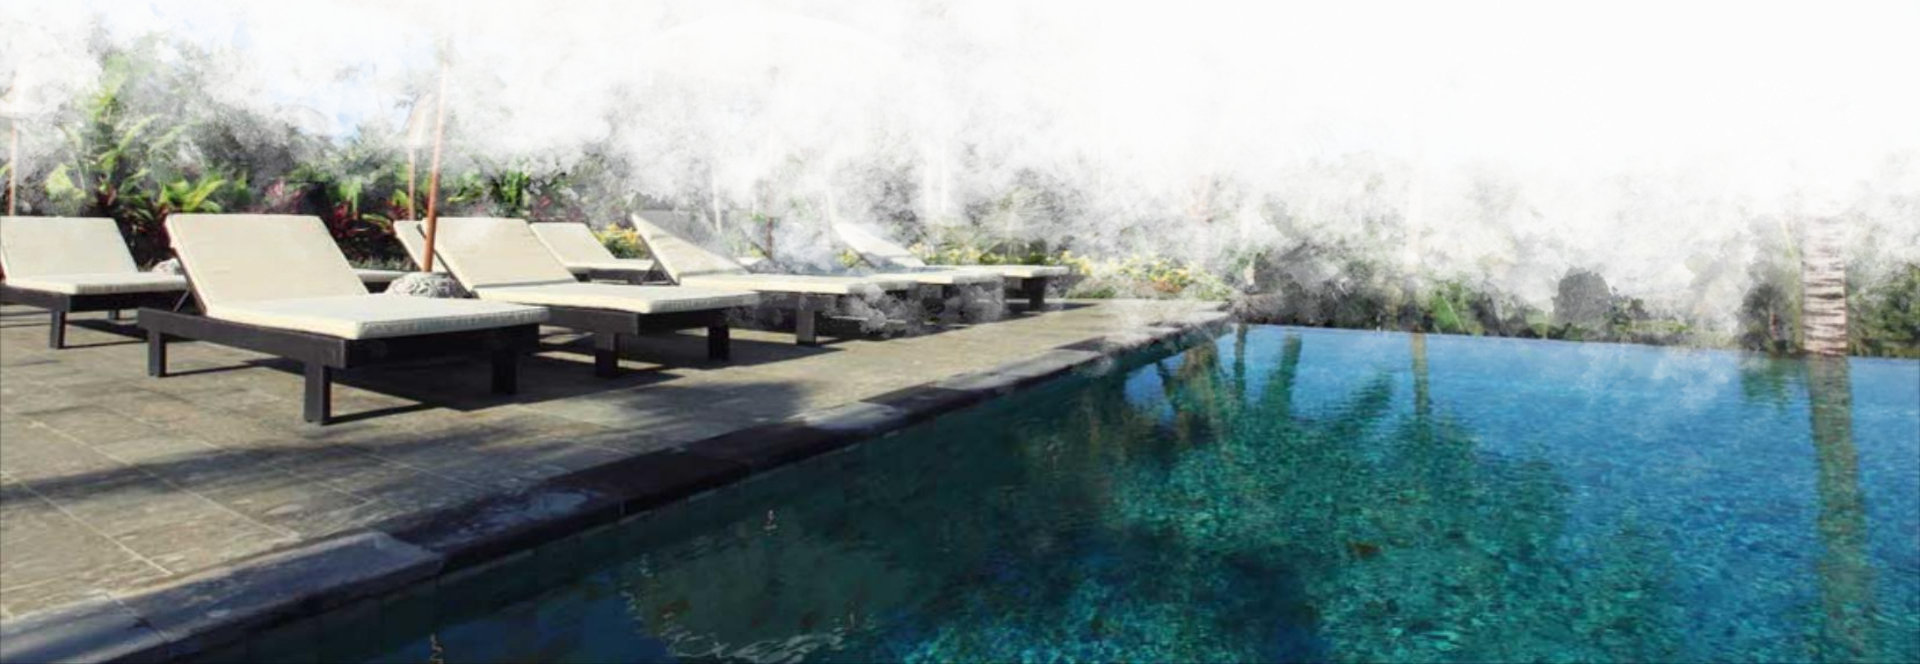

Our site consist of **1 Mining Area, 2 Cutting Sites , and 1 Zeolite flour and gravel manufacturing plant.**

Our cutting site consist of 25 machines available for production and run by professional and experienced workforce.

All the materials come from our own mines, so the quality of color and hardness are the same.

We are also the only company that has an official mining permint from the Indonesian government

OUR PHILOSOPHY

our essence

MISSION

Become the best manufacturer that makes the best quality products

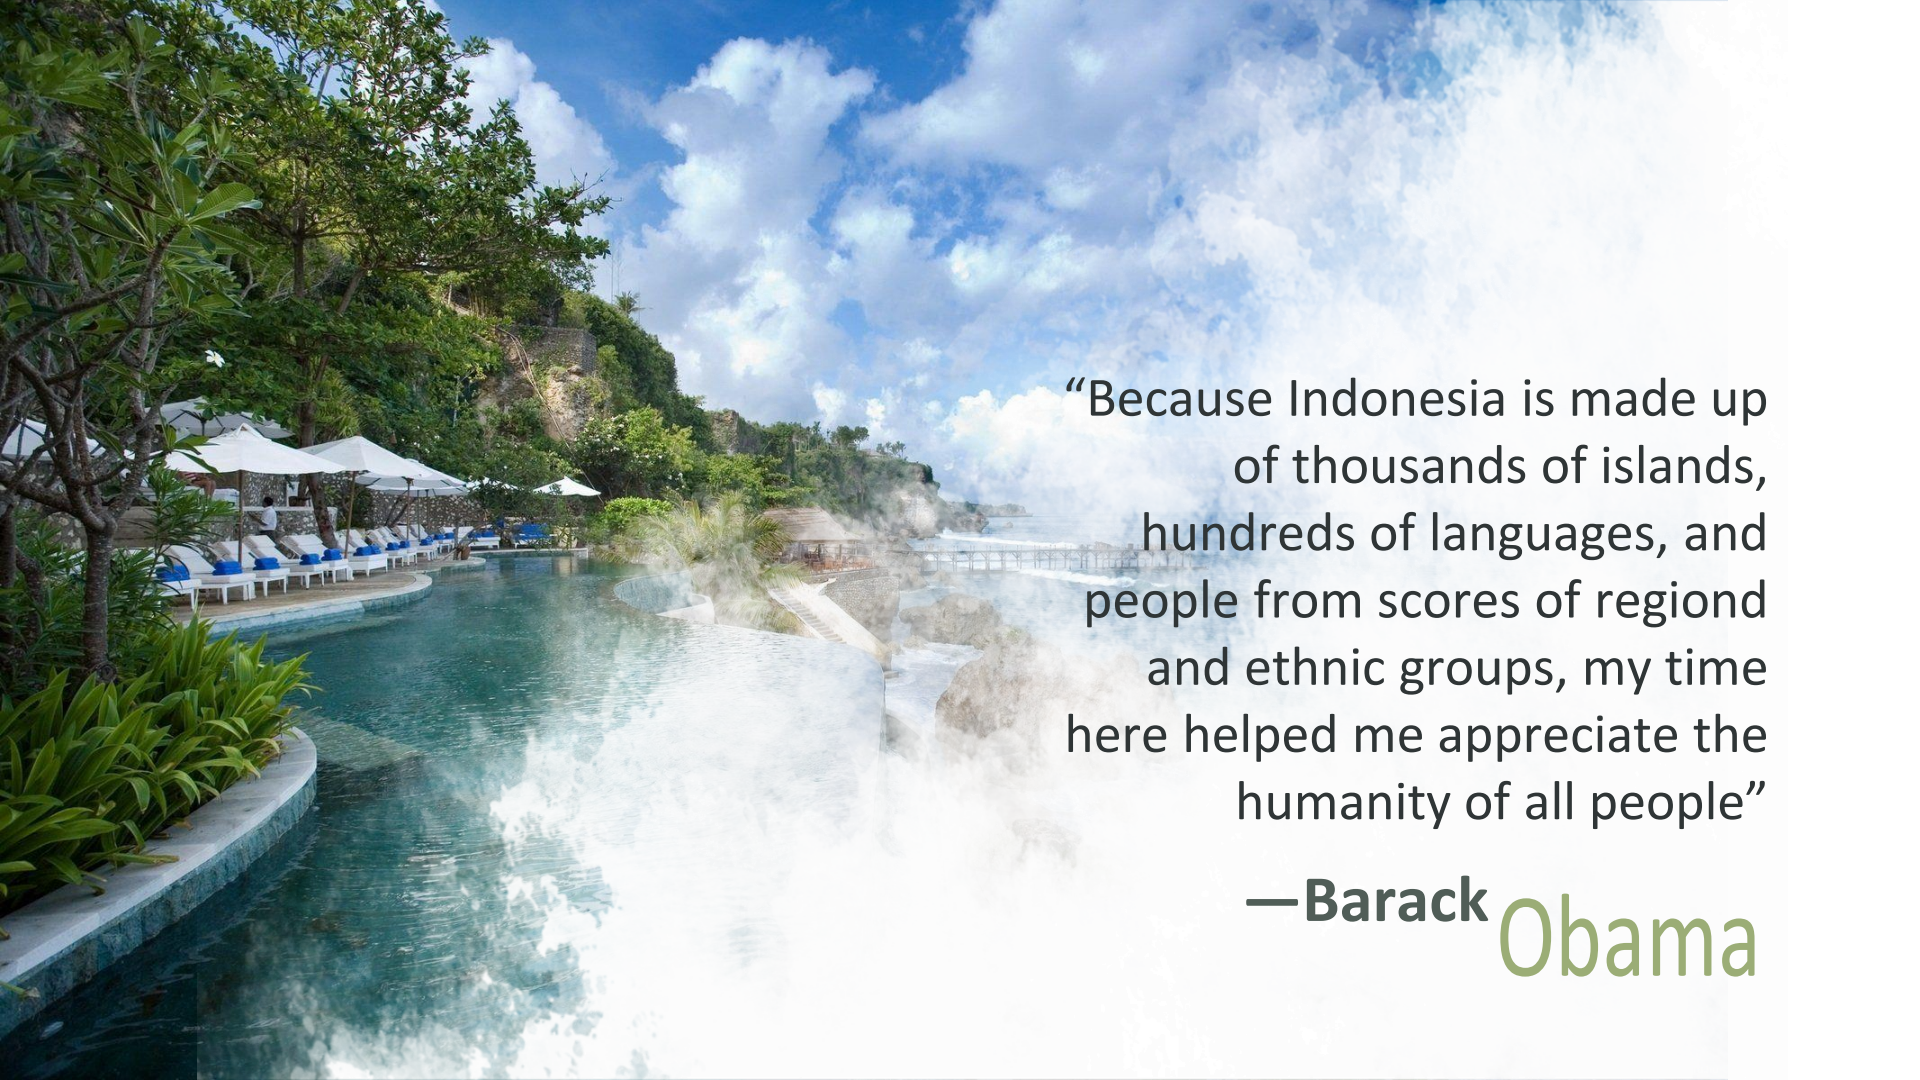

VISION

Bringing the world together through beauty of indonesia

VALUES

Go beyond expectation, dream team, take calculated challenge, extra effort and dedication

“Because Indonesia is made up
of thousands of islands,
hundreds of languages, and
people from scores of regions
and ethnic groups, my time
here helped me appreciate the
humanity of all people”

—Barack **Obama**
